DIGITAL LAB AFRICA #5
CALL FOR APPLICATIONS

PHASE 1:
ANIMATION AND IMMERSIVE EXPERIENCES (XR)
DLA#5 CALL FOR APPLICATIONS

Digital Lab Africa (DLA) is the first mentorship and incubation program dedicated to innovative creative and digital content (immersive experience, video game, animation, music, digital art) in Africa. The very idea of DLA is to offer emerging talents a springboard to fast-track their projects development, with the support and expertise of DLA creative industries ecosystems in France and in Sub-Saharan African countries.

Created in 2016, Digital Lab Africa is an initiative of the French Institute and the French Embassy in South Africa. Since 2018, DLA is integrated into the Digital Content Hub (DCH) program, led and managed by the South African innovation hub Tshimologo Digital Innovation Precinct, with the financial support of AFD (Agence Française de Développement). Besides AFD funding dedicated to DCH, DLA receives financial support from SACEM, TV5 Monde, the French Embassy in Nigeria, and technical support from IFAS, as well as multiple partners / key players from the creative industries. Founded in 2016, Tshimologo Digital Innovation Hub is owned by the University of The Witwatersrand (South Africa). It aims at realising African Digital innovation for global markets through entrepreneurship and skills development.

For its 5th edition, Digital Lab Africa is switching to a fully online format. The incubation and mentorship programs followed by the DLA#5 laureates will include online activities, online mentorship, and participation to online industry events. Furthermore, Digital Lab Africa call for applications will take place in two different phases. The first phase will be dedicated to immersive experience and animation categories and will take place between March and April 2021. The 2nd phase will be dedicated to video game, digital art and music categories and will take place between May and July 2021.

DLA#5 call for application is open to anyone from the field of digital content creation: artists, producers, designers, start-ups, SMEs, collectives, students or entrepreneurs, living or native from a Sub-Saharan African country. It targets innovative digital content from the perspective of form, storytelling and technologies used in one of these 5 categories: immersive experience, gaming, music, animation and digital art.

The applications will be reviewed by the DLA Selection Committees based on criteria of creativity, artistic/technical quality, technological aspect and potential.

GENERAL CONDITIONS

This document defines the terms and condition of the call for projects and of the Digital Lab Africa operation, as defined by the organisers. Candidates and participants are obliged to comply with them.

ORGANISERS

DIGITAL LAB AFRICA is organised by Tshimologong Digital Innovation Precinct (Wits Incubator Pty Ltd)(41 Juta Street, Braamfontein, Johannesburg, South Africa).

TERMS

The Digital Lab Africa call for applications for animation and immersive experience categories opens from 1 March 2021 and closes on 4 April 2021 at 11.59pm (time limit for registering a project). The application consists in filling in the online form on Digital Lab Africa website and sending all the required material by email to applications@digilabafrica.com. All applications must be sent before the said closing date. The registered projects should conform to the criteria set out in this document.

PARTICIPATION

Participants at the Digital Lab Africa platform must be residents or nationals of one of the sub-Saharan African countries: South Africa, Angola, Benin, Botswana, Burkina Faso, Burundi, Cameroon, Cape Verde, Central African Republic, Chad, Comoros, Democratic Republic of Congo, Djibouti, Eritrea, Ethiopia, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Equatorial Guinea, Kenya, Lesotho, Liberia, Madagascar, Malawi, Mali, Mauritius, Mauritania, Mozambique, Namibia, Niger, Nigeria, Republic of Congo, Rwanda, Sao Tome and Principe, Senegal, Seychelles, Sierra Leone, Somalia, Sudan, South Sudan, Swaziland, Tanzania, Togo, Uganda, Zambia, Zimbabwe.

The projects can be submitted by a candidate who does not live in sub-Saharan Africa on condition that this candidate is a national of one of the countries of this region. In this case, the project development and production should be mostly implemented in a sub-Saharan African country.

Minimum age for participants is 18 years old.

ROLL OUT

The candidates have up until 4 April 2021 inclusive to submit their projects. The applications received will be reviewed by the Digital Lab Africa selection committees.

The list of selected projects will be made public in May 2021 on www.digilabafrica.com

The Digital Lab Africa jury members will select the winners of DLA#5 based on the pitch quality of each project and the criteria qualities – artistic/technical, technological/creative innovation and feasibility/economic potential of the projects. The jury's decisions are final and binding. The organisers reserve the right to not award all prizes in the case of insufficient numbers of applications meeting the minimum criteria of the jury, as set out by the organisers and members of the jury at their sole discretion.

INCUBATION PASSES

The selected applicants will benefit from a Digital Lab Africa online incubation program to develop their respective project between May and December 2021. The Digital Lab Africa Pass consists of: mentorship and support in the development of projects by French and Sub-Saharan African experts; For one of the animation winners: a period of residency in France within digital cluster CICLIC for the applicant who registered the project or a person involved in the project, nominated by him/her. Transport, accommodation costs and per diem linked to the stay in France will be taken care of by the organisers (valid for only one person per project).

In order to ensure that each participant gets the best of the DLA program, each incubation online program will be designed according to the project needs. The project holder commits to inform DLA team of any kind of issues he may encounter due to his/her country and personal situation.
RIGHTS AND PERMISSION
If the proposed content contains material or elements which are not the property of the participant and/or are subject to third party rights and/or if some individuals appear in the content, it is the responsibility of the participant to obtain, before the submission of projects, all permissions and consents necessary to the exposition and use of the content. If a person appearing in the content is under the age of 18, parental/guardian consent is required.

By participating, all the selected candidates authorise the organisers and their partners to reproduce, distribute, display and publish online the names of the candidates, their photos, the description and visual elements of their project so that the public has access to the list of selected projects. Moreover, they allow Digital Lab Africa to reproduce, distribute, display and use the content of their applications in any media, existing or future, including but not limited to a publication in the Digital Lab Africa brochure and the communication tools of the operation. The organisers are not required to pay compensation or seek approval for these uses.

INTELLECTUAL PROPERTY
The submitted project stays the property of the project holder who owns totally its moral and patrimonial rights without any cession or remuneration to Digital Lab Africa who has no right to change or intervene on the project. However, the project holder must commit in referring to Digital Lab Africa on any achievements coming directly or indirectly from his/her time mentorship and incubation program (logo and reference to add in the credits).

LIMITATION OF LIABILITY
By participating, the candidates agree to not hold Digital Lab Africa liable for any claims, loss or potential damage resulting from participation in the program. The organisers cannot be held responsible for any technical malfunctions (Internet connection/computer system) resulting in the failure or late submission of applications.

CONDITIONS
The applications will be considered void if the organiser establishes that it is not an original work or if the application is illegible, incomplete, damaged, irregular, altered, counterfeit or acquired fraudulently.

Participants also acknowledge:

1. having read and accepted these terms and conditions
2. that the jury's decision is final and binding
3. that for the winning projects, the organiser may use the name, picture and/or voice of each winner in any publicity or advertising relating to Digital Lab Africa or future promotions without further remuneration or agreement

In the event that a designated winner of one of the categories refuses the prize or is not able to benefit from it, the prize will be cancelled and the organisers could, at their sole discretion, choose to award the prize to another participant.

Winning candidates agree to participate in the different phases of the online incubation program in 2021 (online workshops, online training and coaching, online participation to industry events).

RIGHT OF SUSPENSION OR CANCELLATION
If for any reason the Digital Lab Africa operation could not be conducted as planned, the organisers reserve the right to alter, suspend or terminate the operation without entitlement to restitution or compensation with regard to candidates or participants. If the organisers decide to cancel the operation, the organisers will not retain any right related to the content.

IMPORTANT NOTICE
The proposed material in its entirety must be the original work of the project bearer.
All proposed material must be in English or in French.
Applications submitted by two persons working in pairs can be considered.
Incomplete applications will not be considered
One candidate can register several projects (one form per project)
The participants must accept, without reservation, the jury's decisions.
If a participant is selected, he/she will be contacted by the organisers of Digital Lab Africa.
